

Installing SigmaPlot:

Please close Excel before installing SigmaPlot.

Running SigmaPlot installation executable "SigmaplotInstaller.exe" (by right clicking and selecting 'Run as administrator') should bring the following progress windows one after another:

SigmaPl	lot 15.0 ×	
Σ	The SigmaPlot 15.0 Installer is verifying the contents of this setup package. This may take a moment.	
	Cancel	

It may take a little while bringing up the installation dialogs as follows since SigmaPlot is verifying the contents and or downloading/installing components, press Next button:

Similarly, press Next button, and elect the appropriate radio button in the followup dialog then press Next to proceed:

Enter user name, company/organization name, and serial number:

Σ	SigmaPlot 15.0				×
	User Information Enter the following information to personaliz	e your installatio	n.		
	<u>U</u> ser Name:				
	Your name				
	Organization:				
	Company name				
	Serial No:				
	775				
	Enter the serial number supplied by Sales O number please visit : www.systatsoftware.r	ffice. If you nee com or call your	d an evaluation s local Systat Office	erial 2.	
		< Back	Next >	Cano	el

Then SigmaPlot dialog shows the path to the default installation location, the next dialog shows the installable components.
